

FRAUD AND COLLECTIONS PROTECTION

Securely™ deploys protections to drastically reduce collections and fraud costs that often cost 40% above face value due to time, cost of capital, and opportunity costs.

FundAssure® provides our exclusive multi-tiered, smart, and automated collections process that requires no human input to secure payment

Verified Digital Cash™ payments over \$5,000 provide unparalleled security for high ticket receivables

Balance validation across payment methods enhance protections against NSF's, chargebacks, and intentional fraud attempts

All bank and payment card data is tokenized and backed by industry giants like Plaid
